## SEWER ASSESSMENTS ARE LAID

Committee Finds Three Thames Street Property Owners  
Benefited—Widening of Sachem Street From Oneco  
Street to Lafayette—Linden Parkway to be Accepted as  
Public Highway.

The April meeting of the common  
council on Monday evening in the  
council chamber was a half hour ses-  
sion presided over by Mayor T. C. Mur-  
phy. One interesting item of business  
transacted was the report of the com-  
mittee to which had been given the  
laying of the assessments for the  
sewer built on Thames street from a  
point near the residence of Elizabeth  
Murphy to Page lane. At a previous  
hearing before the committee residents  
on both the easterly and westerly side  
of Thames street had protested against  
having their assessments laid on them.  
The committee made its final report,  
placing the assessments only on three  
owners of property on the westerly side  
of Thames street.

Mayor Murphy called the council to  
order at 8.05 o'clock. The roll call  
showed Alderman McLaughlin, park  
and councilmen Crutcher, Baker, Kinder  
and Connelly absent.

Alderman M. H. Hourigan, for the  
public works committee, reported pro-  
gress on the petition of William H.  
Allen.

Clerk Stephen D. Moore read the peti-  
tion of Carter Avenue residents to  
have a sewer laid there. It was re-  
ferred to the finance committee.

Miss Helen Allen, an Allen, was pro-  
posed for a sewer on Elmwood ave-  
nue. This was referred to the finance  
committee.

Linden Parkway Accepted.  
Resolutions accepting deeds from  
Mesa E. Fortes and Alice C. Henry  
to the city were passed and it was  
voted to open Linden parkway as a  
public street on April 19, 1915.

The public works committee, Alder-  
man M. H. Hourigan, Councilmen Jo-  
seph F. Williams and J. J. Connelly,  
reported on the assessment for the  
construction of a sewer in Thames  
street near Page lane. The assess-  
ments laid were as follows: To be paid  
on or before July 1, 1915: For prop-  
erty on the westerly side of  
Thames street, Annie Cussen Ladd  
\$48.44, Thomas Murphy \$22.20, John  
Murphy \$44.62.

The resolution was accepted and the  
resolution adopted.

Mayor T. C. Murphy announced the  
appointment for three years from April  
1, 1915, of Messrs. Parker and William  
A. Norton as park commissioners.

Invitations Received.  
An invitation from the State of Con-  
necticut, No. 550, L. O. O. M., to partici-  
pate in the Moose carnival parade in  
June was read by Clerk Moore. It was  
accepted.

There was also an invitation from  
the Moulders' union to attend their  
fifth annual smoker. This was also  
accepted.

Widening of Sachem Street.  
A resolution providing for the widen-  
ing and altering of Sachem street be-  
tween Yantic street and Lafayette  
street was presented. It changes the  
width of the street from 30 feet to  
40 feet. Mr. White as president of  
the Falls company has given the  
city a strip of land 120 feet wide  
and about 375 feet long and has also  
given a strip 18 feet wide on Sherman  
street. The mayor referred to this as  
a very kind action on the part of Mr.  
White and said the deeds had been  
sent for execution. The resolution was  
adopted.

The quarterly report of Dr. N. B.  
Lewis, health officer, was presented,  
accepted, and the usual number of  
copies ordered printed.

### RECORD THEIR OPPOSITION TO DIVISION OF TOWN.

Three Savings Banks, Backus Hospital  
and United Workers Passed Resolu-  
tions on Monday.

The three savings banks of Norwich,  
the United Workers and the executive  
committee of the Backus hospital all  
passed resolutions on Monday express-  
ing their opposition to the proposed  
division of the town of Norwich, ac-  
cording to the bill that has been pre-  
sented before the legislature and is in  
committee hearing today at Hartford  
before the committee on new towns and  
probate districts.

Dime Savings Bank.  
The directors of the Dime Savings  
bank passed the following:

Voted, That the division of the town  
of Norwich would be detrimental to its  
savings banks and other interests, es-  
pecially on account of the increased  
expense of securing title for mort-  
gage loans and other transfers of real  
estate situated in the proposed new  
town. For the above reasons we wish  
to record our protest against any di-  
vision of the town of Norwich.

Chelsea Savings Bank.  
The following were the resolutions  
passed by the directors of the Chelsea  
Savings Bank:

To the Honorable Committee on New  
Towns and Probate Districts:  
At a regular meeting of the directors  
of the Chelsea Savings Bank held at  
their banking house on Monday, April  
5, 1915, the following resolution was  
adopted:

Resolved, That the board of directors  
hereby express as representing the  
sentiment of this bank that the pro-  
posed division of the town of Norwich  
into two towns would be harmful to  
the savings bank institutions of Nor-  
wich. For reasons peculiarly applicable  
to a savings bank, the contemplated  
division of Norwich would tend greatly  
to augment the expense incidental to  
titles to real estate in that portion of  
the town suggested to be a new town.

Therefore, We do most respectfully  
protest against any action being taken  
to divide Norwich into two towns by  
the general assembly of the state.

JOHN C. AVERILL, President.  
A true copy as appears of record.  
CHARLES B. CHAPMAN,  
Secretary.

Norwich Savings Society.  
The following minute and resolutions  
were passed by the Norwich Savings  
society directors:

At the meeting of the board of di-  
rectors held this day it was unani-  
mously:

Resolved, That the board of direc-  
tors of the Norwich Savings society  
hereby express as representing the  
sentiments of this society, their disap-  
proval of the proposed division of the  
town of Norwich into two towns.

For many reasons, particularly as  
affecting this society and its patrons,  
such division will concern the obliga-  
tions of the present
